KEN ISRAELSON

PHOTOGRAPHY | GRAPHIC DESIGN | DIGITAL IMAGING

Murfreesboro, Tennessee • 757-816-5955 • kenimail@yahoo.com • kenisraelson.github.io

PROFESSIONAL PROFILE

Visual production professional with 30+ years of photography experience and extensive hands-on graphic design, retouching and digital compositing work. Creates polished imagery for products, e-commerce, advertising, events and branded communications. Equally comfortable in a studio, on location or at a production workstation; known for careful detail, adaptable problem-solving and dependable delivery.

CORE SKILLS

Commercial and product photography • Adobe Photoshop • Photo retouching and color correction • Image compositing • Graphic design and advertising artwork • E-commerce imagery • Lighting and image capture • Digital asset preparation • Seamless patterns and print-ready image files • Client collaboration • Creative concept visualization

PROFESSIONAL EXPERIENCE

Graphic Artist / Product Photographer / Digital Imaging Specialist | We The People Holsters

Developed e-commerce and advertising visuals; photographed products; retouched and composited images; produced graphics, textures and seamless patterns for production use. Balanced creative direction with consistent, brand-appropriate execution.

Professional Photographer | Cashman Photo / Cashman Professional • 2013–2026; 1999–2007

Photographed weddings, conferences, conventions, entertainment, corporate events and portraits in fast-moving environments. Worked directly with clients and teams; delivered consistent imagery while adapting to changing lighting, schedules and production needs.

Imaging and Technical Support | Canon ITS

Supported Canon imaging customers with photographic equipment, technical troubleshooting and image-making workflows; communicated practical solutions clearly to photographers with varied experience levels.

Team Leadership / Customer Support | Sitel

Supported service operations through customer communication, team coaching and efficient problem resolution.

SELECTED CREATIVE WORK

Portfolio: kenisraelson.github.io • Product photography, e-commerce advertising, commercial composites, architectural concept visualization, branded graphics and event photography.

EDUCATION

Shoreline Community College — Visual Communications; completed all but six credits toward an Associate of Arts degree before relocating to Hawaii.
