PROFESSIONAL PROFILE

Design-minded visual production specialist combining more than 30 years of professional photography with extensive Photoshop, compositing, commercial imagery and graphic-production experience. Develops product-focused advertising visuals, consistent branded assets, and polished digital content for e-commerce and marketing. Brings hands-on creative problem-solving, high-volume production discipline, and client-facing collaboration to the Creative Marketing Designer role at Blink Marketing.

RELEVANT STRENGTHS

Brand identity & typography • Campaign and social graphics • Product and lifestyle photography • Adobe Photoshop / Camera Raw • Retouching, masking & compositing • Image optimization & asset preparation • Concept development • Color, layout & visual hierarchy • Studio lighting • Client communication & Employee training

SELECTED CREATIVE WORK

ShipShoot Studios — Developed an original identity system with typographic wordmark, signature directional symbol, coordinated palette, and an adaptable “SHIP > SHOOT > SELL” campaign lockup.

Commercial jewelry campaign concept — Combined product photography with advertising typography, color treatment, and a premium visual story. Portfolio work sample.

We The People Holsters — Produced advertising concepts, lifestyle-background compositions, product assets, and cohesive commercial image treatments for digital marketing.

PROFESSIONAL EXPERIENCE

WE THE PEOPLE HOLSTERS — Las Vegas, NV | July 2026 – October 2026

Graphic Artist / Product Photographer / Digital Imaging Specialist

- Create product and advertising images for e-commerce, marketing campaigns and social media, using controlled lighting, Adobe Camera Raw and Photoshop.
- Build original graphic treatments, background composites, transparent product assets, and consistent multi-product visual sets.
- Maintain fidelity of product details, color, brand marks, scale and composition through retouching and high-volume production.

CASHMAN PROFESSIONAL — Las Vegas, NV | September 2013 – October 2026; previously 1999 – 2007

Professional Photographer / Trainer / Client Service

- Photographed corporate events, weddings, social occasions and portraits, adapting lighting and framing to brand, venue and client needs.
- Delivered polished photography and Photoshop finishing under deadline; trained photographers and collaborated directly with clients.

SITEL — Las Vegas, NV | May 2011 – September 2013

Supervisor / Coach / Technical Support / Workforce Management

- Coached customer-facing teams of up to 24, tracked performance and built effective training and operational workflows.

CANON INFORMATION TECHNOLOGY SERVICES — Chesapeake, VA | May 2008 – March 2011

Technical Support Representative II — EOS Digital Cameras

- Guided photographers through camera, lighting, exposure, lens and software problems; supported enthusiast and professional customers.
